Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Instant invention drawn to living information processing systems is allowable for including the following nonobvious improvement over the prior art of record in conjunction with the other claim limitations:

a record is associated with a plurality of tokens and a weight is determined for each token, a correlithm object is associated with at least one of the tokens, the correlithm object comprising a plurality of values defining a first point in a particular space, the particular space being defined by a plurality of dimensions and including a plurality of points and generating a significance vector associated with the correlithm object

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
